Hello,

We're the Bremerton Community Farmers Market, have you heard of us? We operate every Thursday from April through September at Evergreen Rotary Park in Bremerton. If you've never visited us before, we invite you to come shop local! We have vendors with fresh produce, flowers, prepared foods, and handcrafted items. While you're there, enjoy the live music, our kids healthy living education program, and special events. If you don't have cash, we can swipe your credit, debit, or EBT card and give you tokens to spend. For EBT users, we offer a SNAP Market Match where we match the money taken off the EBT card up to \$25 to spend on fresh fruits, veggies, and edible plant starts. We strive to bring our community together at our market. To learn more about our programs and events, visit our website at [www.BremertonCommunityFarmersMarket.com](http://www.BremertonCommunityFarmersMarket.com).

By becoming a sponsor of our market you become a partner. We want to support you in return by bringing your business face-to-face with our customers. Check out our sponsorship packages below to see if one of them aligns with what your business needs to attract more customers. Reach out to me anytime with questions or ways in which you would like to see your business partnered with the Bremerton Community Farmers Market.

Thank you in advance for supporting local food and the Bremerton Community Farmers Market in 2023!
